Chapter

News

We have started a new program in which we try to make the bulletin more informative. In order to carry out this program, the chapter secretary will need to send any information that could possibly be helpful to the lodge secretary in care of the council office. Information such as scheduled meetings or reports of activities will be helpful. In addition, any individual having information he feels needs to be published is encouraged to do so in the same manner as the chapter secretary.

Fall Fellowship Success

This years Fall Fellowship was a great success. The people who attended got to know each other as never before. The discussion groups and brainstorming brought friendship to all and produced many Ideas on the use of a paper cup, and ways of celebrating the 25th anniversary. Some of the better and more humorous of the Ideas were printed in the "Fellowship Follies", a bulletin which as well as announces the dance competition winners, presented the views of veterans and first year members, and the winners of the travel award.

The dance competition at the Fellowship was excellent, and had good participattion. Some of the chapters showed much improvement, while others did not. The ones who stood the chilling temperatures enjoyed the dances. There were ten judges for each dance-one boy and one adult per chapter. Judges didn't judge dances from their own chapter.

The winners of the solo, small group and large group were all from Dixie district.

The travel award was presented on the average distance from the geographical centers of the chapters multiplied by the number of registered members from the chapters. After the totals were figured, Shawnee won the award with 28 members present.
