1981 SC-1A CONCLAVE

One thing that is approaching with awesome speed is the fact that the 1981 SC-1A Conclave is almost upon us. As most of you arrowmen know, this year conclave will be held on April 24, 25, and 26. Another bit of information that we hope is not new news to you is that our lodge is hosting the Conclave and it will be held at Pine Trail Reservation.

Lodge Chief Price Marshall, Conclave Coordinator Randy Jenkins, and the rest of the Lodge Officers have been working diligently with the conclave staff and advisors in order to finalize the plans for the **GREATEST CONCLAVE EVER**.

If you haven't made your reservations to attend, sent in your \$10 pre-reservation fee to the council office. The final \$10 of this fee will be due upon arrival at the Conclave.

Some things to look forward to are the Authentic Indian Pow-Wow, the Extravaganza 81, fellowship with OA members from across the state, and great food. There will also be some super discussion groups covering such interesting topics, such as, History of OA, Indians Costuming, IEP, and Section and National Organization.

As you can see it will be a weekend full of excitement, but regardless of that, we need a record participation from our lodge in order for us to make the conclave **THE BEST ONE EVER**.

2ND LODGE WIDE ORDEAL TO BE HELD

The Second Lodge Wide Ordeal is going to be held at Pine Trail Reservation on the weekend of June 5th, 6th, and 7th. Even if you are not an officer, it is imperative to attend this OA function.

Registration for candidates and members will begin at 5:00 p.m. and run until 10 minutes before eight Friday night at the administration building. You pay for your meals when you register. The cost for the meals will be \$5.00. We will feed you from Saturday breakfast until Sunday breakfast.

The pre-ordeal ceremonies will begin at 8:00 p.m. All of the Pre-Ordeal Ceremonies will be held at the same site at one hour intervals. All Arrowmen should attend the Pre-Ordeal Ceremony their chapter is involved in.

To find out who will do the Ordeal Ceremonies, there will be a meeting of the chapter advisors and the chapter officers. The chapter officers will try out for the part they wish to do in the ceremony and the advisors will pick the best persons for the job. The three groups of officers will hold the ceremonies at three different circles. The Ordeal Ceremonies will begin at 9:00 Saturday night.

Sunday, after breakfast there will be a church service and a question and answer session for the new members. Sunday morning, after the question and answer session, the trading post will open so that the new members will be able to purchase flaps, handbooks, backpatches, etc., Sometime after this, when everyone is finished fellowshiping, the 1981, 2nd Lodge Wide Ordeal will be declared closed. **I HOPE TO SEE YOU THERE JUNE 5th!**

ANNUAL BUSINESS MEETING HELD

On Saturday, January 31, at 9:30 a.m. the annual Lodge Wide Business Meeting was opened by outgoing Lodge Chief, David Shewmaker and was a huge success. The first session was headed by David, which was on his past year as Chief. Then David turned the floor over to Price Marshall and Randy Jenkins who conducted a session on the upcoming Conclave. We then separated into different groups consisting of Registration, Trading Post, Extravaganza 81, Programming, and Physical Arrangements, so that we could go into detail on the Conclave without wasting any time. The nominating committee then left to decide on the first slate of Lodge Officers to be voted on. Meanwhile, Donald Belk presented an excellent slide show and did a wonderful job of teaching everyone how to promote Scout Camping on the District and Council level. Donald went into great depth and detail and just did a wonderful job all the way around. The floor was then turned over to Ronnie Haynes and Chuck Wilson who instructed a session on how to conduct a unit election. David Shewmaker then announced a slate and proposed we think about it while we were adjourned for lunch.

After lunch we voted on a slate that consisted of Chief-Price Marshall, 1st Vice Chief-Bobby Simpkins, 2nd Vice Chief-Jeff Mickey, and Secretary-Jeff Vestal. The slate was accepted unanimously. After the Lodge Offices were settled, the Chapters adjourned to their own rooms to elect their 1981-82 Chapter Officers. When the Chapter Offices were settled, we met back in the auditorium and introduced the new Chapter Officers to everyone.

David Shewmaker gave awards to his officers for the outstanding job they had done the past year. Randy Jenkins and Price Marshall gave Brotherhood sashes to the successors of their officers. Jack Roy gave awards to all the 80-81 Lodge Officers for the spectacular jobs they had done the past year. The new Lodge Chief-Price Marshall, snuffed out the candle at 3:30 p.m. and declared the meeting closed.

"EVERY ARROWMAN COUNTS"

THE BANK OF TIME

"If you had a bank that credited your account each morning with \$86,400.00 that carried over no balance from day to day and allowed you to keep no cash in your account and every evening cancelled whatever part of the amount you had failed to use during the day, what would you do? Draw out every cent of course! Well, you have such a bank, and its name is "Time." Every morning it credits you with 86,400 seconds. Every night it rules off, as lost, whatever of this you have failed to invest to good purpose. It carries over no balance. It allows no overdraft. Each day it opens a new account with you. Each night it burns the records of the day. If you fail to use the day's deposits the loss is yours. There is no going back. There is no drawing against the "tomorrow." You must live in the present on today's deposits. Invest it so as to get from it the utmost in health, happiness and success!"

CHIEFLY SPEAKING

Once again we are at the beginning of a new year. 1981 promises to be one of the most exciting years in our lodges history. We have the upcoming conclave, the lodge wide ordeal summer camp, and the national O.A. Conference. Each of these events will run smoothly if we have one key element. **Participation.** It is essential for each arrowman to become active and involved. To have a strong lodge we must have strong chapters and to have strong chapters we must have strong individual members. Every arrowman must take the challenge upon himself to work to better the lodge. Each arrowman that cares enough to get involved can make a difference.

As always the first responsibility of every arrowman is working with a troop or post. To often O.A. members lose sight of the fact that our chief purpose is to promote scouting. I ask each O.A. member to give just a few hours a week to a troop. The young scouts we take time to work with today will be the Arrowmen of the future.

Whether working with a troop or giving 100% participation to order of the Arrow activities I ask you to remember "**Every Arrowman Counts**". AS always I respectfully remain. . . .

Yours in Brotherhood
