BUSINESS MEETING

The 1981 Annual Lodge 413 Business Meeting has been scheduled for Saturday, January 30, at the Carl R. Reng Center at Arkansas State University, in Jonesboro. It is imperative for all arrowmen to attend this O.A. Function.

Registration for the Business meeting will begin at 8:45 and will be on the second floor in the Osage Room. At 9:00 a.m. Chief Price Marshall will call the meeting to order and conduct the opening session. The first session will be on the Big Brother system. The second session will be on the Conclave, in which SC-1A and SC-1B are going to unite and perform a dual conclave. Then we will have a session on the proper way to conduct Unit Elections. Then a slate will be proposed for the 1982 Lodge officers. However, this is not to be voted on, we would just like you to think about the persons, or maybe if you don't know them you could meet them. We will then adjourn for lunch at 11:45. Each arrowman will need to bring enough money to eat at one of the many restaurants in Jonesboro. After lunch there will be a slide show and a presentation of all the things we did at the 1981 National Conference. Directly after this session the Lodge Officer elections will be held. After the Lodge officers have been decided we will break up into chapters and elect the Chapter Officers for 1982.

The Lodge Officer Nominating Committee will convene at 9:15 and should be over by lunch. If your chapter chief contacts you and requests your service on this committee please help out. The Vigil Nomination Committee will go into session promptly at 12:30. The committee has been selected and contacted. Because of the special nature of its business it is open only to the members appointed to serve on the committee. The Business meeting should adjourn approximately at 3:30. I'll see you there!!!

PICTORIAL REVIEW FOR 1981

It all began with the Business Meeting and New Officers . . .

Then came summer camp, and you all know that means Brotherhood

Then came the spring camporee and tapouts . . .

after camp. 12 outstanding scouts represented our lodge in the National Order of the Arrow Conference in Austin, Texas.

Then, as time progressed, we did also and conducted the Best Conclave Ever, with lots of fun

Then the most formal and fun meeting our lodge has, the Fall Fellowship.

and dancing.

These were all very important parts of our year, but without you and Brotherhood, Cheerfulness and Service none of these wonderful things would have been possible. Thank you, we couldn't have done it without you.

Price, Jeff M., Jeff V., & Bobby S.

FELLOWSHIP GREAT SUCCESS

The 1981 Fall Fellowship was a great time for all who attended. It took place at the Tri-county Baptist Youth Camp over the weekend of November 6th, 7th and 8th. There were sessions instructed on Indian costuming and dancing, National Conference, ceremonies and we proposed a new tapout which will be affirmed at the Business Meeting.

Saturday night after the wonderful meal prepared by our great cooks, the lights went out and Extravaganza '81 burst onto the scene. It was based on an evil manitoo stealing the legend of the Lenni Lenapi tribe in which Kitchikinet and two scouts retrieved the Legend, and returned it to the Lodge so the young people of the tribe could cherish from it. The extravaganza was, therefore, named "In Search of the Legend."

It was a great weekend and an overall GREAT SUCCESS. I feel sorry for all those that missed it and hope that their absence of the great time will encourage them to attend all QA Functions.

A FEW WORDS FROM OUR 2ND VICE

"Howdy Guys!" I was telling Biff the other day that I would like to properly thank or at least acknowledge all of the wonderful people that helped me out with the show this past year. Thank you very much!!! Especially Brad, Randy, Sweet Don, and Don Larson. Once again, thanks.

Yours in Brotherhood
2nd Vice Chief

AREA CONCLAVE

1982 is the year for a very special order of the arrow event. On April 2nd, 3rd, and 4th at beautiful camp T.L. James in Monroe, Louisiana, order of the Arrow members for all over Arkansas and Louisiana will gather for an area conclave. Over 500 arrowmen will participate in this exciting event. The Lodge will furnish transportation from Jonesboro for the Arrowmen attending from our council. The cost will be \$17.00 plus transportation fee. More details and information will be given at the Business meeting. ***EVERY ARROWMAN IS URGED TO ATTEND.**

SURPRISE!!!

"Today is Bob's twenty-first birthday! He's been the Ordeal Meteu for six years. The rest of the team is off at college, and the Ordeal is next weekend. Well, Lodge Chief Joe Blow did Meteu once, and Bill the service committee chairman could do Kitchikinet. They'll be busy, but . . ."

Sound familiar? Don't let this happen in your lodge. Other duties during the weekend may distract team members, and no team can meet for the first time the evening before the ceremony and expect to get it together. Good ceremonial work takes time for study and practice. Months of rehearsals and group discussions are necessary if a team is to work together with, authenticity, feeling and understanding.

Also, team members do not **have** to be tall and imposing, and have deep and impressive voices. We wear Indian regalias not to impersonate Indians, but to give natural form of Brotherhood, Cheerfulness, and Service: spirits valuable to people of all races and cultures. It is supremely important for a team member to discover and express the enthusiasm of his own real spirit, rather than to try to "be" anyone or anything else. Younger, shorter, high voiced members can do this as well as their older, taller, deep voiced brothers.

We must care enough to see that an effective program of ceremonial training is in operation year round, forming several teams to insure continuity, and sparking interest among new members. Let's begin now, so that next Ordeal we won't have to "get Joe again," just because he knows the words in order.

WHAT'S IN A NAME

In November of 1975, the name **Mawat Guttasch** was adopted as the official name of our Section. The name is in the language of the Lenni Lenapi. The translation of the word Mawat is one, and Guttasch deciphered is six. The final English translation is one in six. This was chosen for the fact that our Section is divided into six lodges but still we have the ability to unite and work together as a single unit.

Do you know these Guys?

CHIEFLY SPEAKING

Dear Brothers,

It doesn't seem possible that the year is almost over. The Conclave seems a mere month ago, Camp last week, and the Fall Fellowship yesterday. When in reality the Business Meeting is just around the corner. Looking back, the year has been one of accomplishment and achievement for the Lodge.

The 1981 SC-1A Conclave was the perfect example of cooperation and involvement by Lodge members on every level. Every advisor, chapter officer, lodge officer and individual Arrowman combined their effort to make the Conclave one that will not soon be forgotten. In fact, it was the finest Conclave the state has seen since 1976, when our Lodge also hosted the event. In my opinion the Conclave was a success due to the effort expended by individual Arrowmen, just like you.

I would like to congratulate the new brotherhood members that were inducted at summer camp. I urge you to remain steadfast in your pledge to work for your troop and the lodge. I would also like to congratulate the newly-inducted ordeal members and remind each of you that there is a need for your participation in lodge activities.

Last, but certainly not least, I would like to thank my officers Bobby, Jeff, and Biff. They were always there and willing to help. Also I never could have made it without the advise of Jack, Brad, Bar, and John.

My year as Chief was a success for only one reason, the cooperation I received from the members of Lodge 413. On behalf of myself and my officers I thank you. As Always I Respectfully Remain

Yours in the Wimachtiendink,
