### COUNTDOWN TO BANQUET

#### *"Lodge Celebrates 2nd Annual Banquet"*

The evening of January 27th on the campus of Arkansas State University, Hi' Lo Ha Chy' A-La Lodge #413 will celebrate the past year of great Scouting and Order of the Arrow programs at the 2nd annual Lodge Banquet. The banquet will be at the Carl R. Reng Center Ballroom at ASU. Dinner will be served at 6:30 and during this time the reception room will be open featuring various display exhibits. Starting at 7:30 the awards and recognition portion of the program will begin with several special awards being presented. Following this will be the recognition of this past year's lodge and chapter officers and will conclude with the installation of the 1990 lodge and chapter officers. Next on the agenda will be an audio / visual extravaganza featuring Arrowmen from all over the Lodge. This is sure to be one of the highlights of the evening and of interest to everyone whether they are in the OA or not!

Last year's banquet was a huge success with an outstanding turn-out and many special features such as a key-note address from Jack Roy, our Lodge's founder, and a special recognition of all Lodge 413's past Lodge Chiefs who were in attendance. Many Lodge members traveled from out of state to attend and many will be returning this year.

Many of the events last year were one-time presentations designed to commemorate our first Lodge Banquet, so this year's banquet will not be as long. However, you won't be disappointed because this year's program will be every bit as spectacular. Already, many hours have been spent by Arrowmen from all six chapters to insure that the 1990 Lodge Banquet will be a big hit.

The banquet is open to anyone interested in attending; they do not have to be members of the OA. Tickets are \$10<sup>00</sup> per person. The deadline for ticket sales is January 12. If you have not purchased a ticket by the deadline and wish to attend contact Wally Jackson or Donnie Belk to see if there are any remaining tickets.

The Lodge Banquet is an excellent chance for non-OA members to get a glimpse at some of the many worthwhile activities done by the OA and we encourage everyone to invite their parents, relatives, girlfriends, etc. to attend. Those of you who were unable to attend last year's banquet missed out on a terrific opportunity to hear and see how our Lodge has moved forward over the years and to mix with some of the outstanding past lodge and chapter leaders who helped shape the Lodge from 1949 to the present. Don't miss out on the 1990 Lodge Banquet - it's guaranteed to be a fantastic evening.

## NOAC CELEBRATES OA'S 75th YEAR

One of the most exciting events an Order of the Arrow member can attend is a National Order of the Arrow Conference (NOAC). NOAC is a gathering of Arrowmen from all over the nation. It features a very wide variety of sessions, seminars, displays, pow-wows, shows and much much more. The 1990 NOAC will be held August 12-18 at Indiana University in Bloomington, Indiana. In addition to the NOAC our Lodge contingent will be planning several side-trips on the way to the conference which always prove to be outstanding. The whole package will be an outstanding event, especially with a special celebration planned commemorating the 75th Anniversary of the Order of the Arrow. If you are interested in attending the NOAC talk to a lodge officer or advisor. More information will be made available as soon as it is received by our Lodge.

## LODGE CONTRIBUTES TO COUNCIL SERVICE CENTER

At the Officer Training Meeting on December 2nd a meeting of the Lodge Executive Committee was convened. The youth members of the Executive Committee voted unanimously for Hi' Lo Ha Chy' A-La Lodge to make a contribution to the proposed council service center for our council. Presentation of the donation will be made at the Lodge Banquet.

The proposed council service center will greatly improve our council's professional and office staff's ability to serve the needs of our Scouting program and we as Arrowmen are proud to show our support for this much needed project.

## FALL FELLOWSHIP EXTRAORDINARY SUCCESS

The Twenty-Fourth annual Fall Fellowship was held recently at the Tri-County Baptist Youth Camp in Wynne.

Opening Friday night was jam packed with fun and fellowship. One of the featured highlights was "Grab Bags" from "Papa Ray's General Store," staffed by Jerry King, Matt Daniels, Denny Bubrig, Jesse Cartwright, Daniel Kueter, and Winston King.

Saturday morning came and arrowmen woke to the smell of a delicious breakfast prepared by Wayne Jackson and his staff of gourmet chefs. Afterwards, lodge members were treated to a session on "OA / Troop Involvement" by Bruce Smith, Daniel Kueter, and Denny Bubrig.

Later that morning competition in the Pre-Ordeal Ceremony, began with Shawnee Chapter taking First Place Honors.

Later that afternoon, the Indian Pow-Wow began. All six chapters were represented as the competition grew extremely tight. Taking first place in the Southern Feather category was Michael Jackson of Shawnee Chapter. In Northern Feather competition, Chris Wilson of Shawnee Chapter came in first with Bobby Norman of Dixie Chapter 2nd. 1st place in the Old Style category was taken by Jason Skinner of Dixie Chapter, 2nd went to Nathan Reyna of Dixie Chapter, and 3rd to David Dancer of Shawnee Chapter. Small group dancing saw Dixie Chapter taking 1st and 2nd with Mississippi Chapter coming in 3rd. In the large group dancing competition Ozark Chapter placed 1st, Shawnee 2nd, and Mississippi taking 3rd.

Day disappeared and with nightfall came the highlight of the **BIG SHOW "OUR LODGE"**, written and directed by Jerry Veteto. "OUR LODGE" was a chronological history of Lodge #413 and proved to be a smash hit with everyone in attendance.

Sunday morning the Lodge Business Meeting began with the unavailing of the 1990 slate of Lodge Officers consisting of Chief: Joel Linn, 1st Vice: Ray Williams, 2nd Vice: Chris Wilson, and Secretary: Denny Bubrig. After the election of these officers we moved into the chapter elections. After all elections were over we then proceeded with the awards ceremony.

As everyone packed up talk was already beginning of next years fellowship.

## LODGE AND CHAPTER OFFICERS TRAINED

The annual Lodge #413 Officers Training Meeting was held on December 2 at the Methodist Church at Wynne. The OTM is where newly elected lodge and chapter officers receive training to enable them to carry out the duties of their respective offices. The training is conducted by the present and newly elected Lodge officers and advisors jointly. In addition to training on chapter / lodge administration everyone in attendance received a copy of the Lodge Member Directory which contains addresses and phone numbers of everyone in the Lodge. Also handed out were new editions of the Lodge and Chapter Manual. The edition features all current updates of Lodge #413's rules, policies and procedures as well as helpful information for chapter officers. The Lodge and Chapter Manual, originally published in 1983, has been entered into a computer disc so that corrections or additions can be quickly recorded and easily reprinted. Special thanks to Lodge Chief Joseph Kueter for the many hours he spent updating and recording the information. Arrowmen interested in obtaining a copy should contact a Lodge officer or advisor.

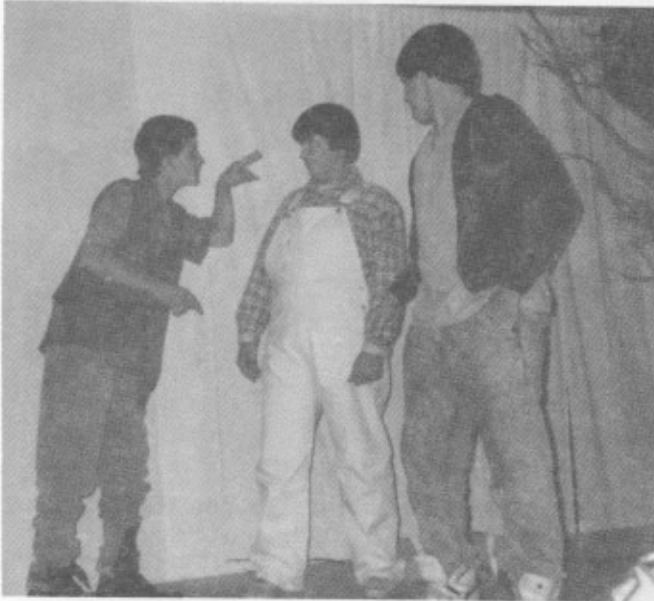

## KLONDIKE A CHILLING SUCCESS

Despite the sub-zero weather everyone attending the 1989 Klondike Winter Camp held December 15-17 had a terrific time. There was an excellent turn-out at the Klondike and over two hundred Scouts from throughout the council enjoyed a weekend full of outdoor adventure. All the campers attending got some on-the-job training in cold weather camping skills and every troop or patrol had a chance to use the "gold nuggets" they earned in the cities to buy items for their troops. Hats off to Donnie Belk and Damon Cluck and their outstanding staff for the terrific job they did making the '89 Klondike one to remember.

## THREE ATTEND NATIONAL LEADERSHIP SEMINAR

Three Lodge #413 Arrowmen attended the Order of the Arrow National Leadership Seminar held in October at Fort Chaffee. The NLS is an intense training weekend for youth and adult lodge leaders. This was the first NLS held in Arkansas in several years. Chris Wilson, Michael Jackson and Jim Binkly represented Lodge #413 at the NLS and Wally Jackson served on NLS staff. The NLS featured many areas of training such as ceremony procedures, show productions and Lodge budgeting to name a few. Also discussed were many of the procedure and policy changes implemented by the National Order of the Arrow Committee. Special guest at the NLS was our National Chief Jack Stevens. The NLS is an excellent way to learn more about the OA and the lodge and we encourage anyone to attend the next one held in our Region.

### CHEIFLY SPEAKING

With sadness in my heart, I watch the end of my experience as Lodge Chief of what I know to be the best Lodge in the world approach. I am reluctant to let go. The experiences I have been through as Lodge Chief and the things I have learned are addictive. It is my wish that everyone could feel the wonderful things I have felt as Chief and realize that the Brotherhood in the Order of the Arrow is something special and unique to those of us who participate in it.

But while part of me is sad, the rest of me is overjoyed to see that the Lodge will continue onward and upward in excellence, as is evident by the new Lodge Chief for 1990, Joel Linn, and his officers Ray Williams, Chris Wilson, and Denny Bubrig. To you four I wish, and almost guarantee, a sensational year. With the same support from the Lodge members that I had backing me up you can't go wrong. And I'll be there too, because no one could just walk away from something this important and rewarding.

As far as the goals I set at the beginning of the year go, I feel they have been accomplished. Advancement and participation in our Lodge was unquestionable! A large number of new Ordeal members were inducted and a good percentage of old Ordeal members gained their Brotherhood. Attendance at all events was outstanding and we even broke a record or two! Thanks to all those members who made that possible. Chapter officers also did a good job in their respective Chapters. I believe interest was increased in each Chapter throughout the year, which caused many members to try for Chapter and Lodge offices during the recent elections at Fall Fellowship. Congratulations to my Chapter officers and good luck to the new ones!

And finally, the most difficult part of my last column. How do I thank the people who have been there for me throughout the past year? It's impossible. No amount of thanks could equal all the help, advice, and friendship I received from my officers and advisors. I do thank you, but as Allowat Sakima stands for, I also offer you my Service. Joel, Jerry, Ray, Jesse, Donnie, Greg, and David -- the men who always helped me and who I could always turn to -- I can think of nothing to say except that if you ever need anything I will be here for you.
