LODGE ENDS FORTY-FIRST YEAR

The 1990 Lodge Banquet was a smashing success! Beginning with the Invocation by J.E. Monk and the meal, there was never a dull moment!

The recognition portion of the Banquet began as the Lodge honored adults who worked in several key spots this past year including Food Chairmen Wayne Jackson and Wally Jackson, Vigil Chairman Danny Joe McHaffey, the several chapter advisors, and other key adult members. The Lodge would like to thank all the adults who helped in any way during the past year.

There were two special presentations this year. The four Lodge Officers presented the Council President Mr. Bob Pouncey, and the Scout Executive Mr. Ken Ackeret with a \$500 donation for the funds toward a Council Service center. The other special presentation was made to Wally Jackson for winning the Council Strip Design Contest.

As the Banquet continued, several groups of individuals were recognized. All past Lodge Chiefs in attendance, all Vigil Honor members in attendance, new Ordeal members that were inducted during this past year, as well as all newly inducted Brotherhood and Vigil Honor members were recognized. Incoming Chapter Officers were honored before their induction as well as the outgoing Chapter Officers who received certificates for their year of service.

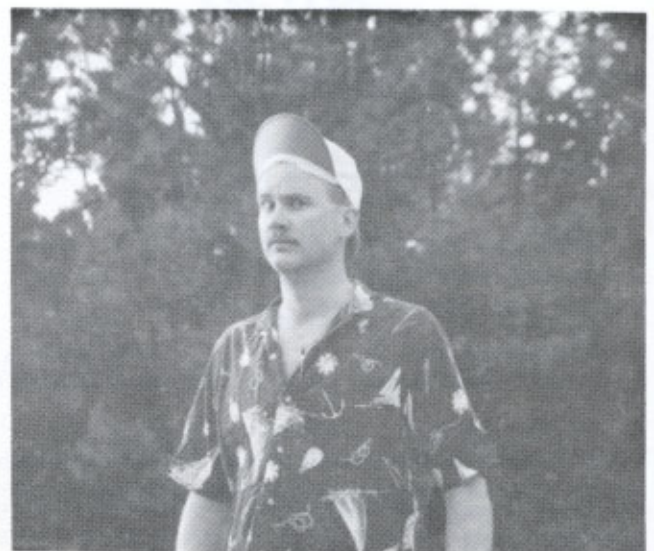

The annual awards were then presented. Daniel Kueter of Shawnee Chapter received the Youth Arrowman of the Year Award. The Adult Arrowman of the Year went to Wayne

Grommett also of Shawnee Chapter. The Silver Arrow Award presented to a non-OA member for their help to Scouting and the OA went to Marsha Bufkin. Ranger Joe Smith then presented the Camp Ranger's Arrowman of the Year Award to Chris Wilson of Shawnee Chapter.

The last awards to be presented were the new members of the Lodge Hall of Fame. Congratulations to Damon Cluck and Ranger Joe Smith on their induction into the Lodge Hall of Fame.

The last event of the Banquet was the installation of the 1990 Lodge and Chapter Officers.

Congratulations to the Lodge on the successful completion of another great year!

Is this the new Scout Uniform?

Those who attended the weekend learned a great deal from how to make a bustle to lazystitch beadwork! On Saturday night OA and the public alike were treated to the sights and sounds of authentic Indian dancing. All who went had a great time. Congratulations to Shawnee Chapter on a successful Pow-Wow

OBTAINING BROTHERHOOD MEMBERSHIP

Camp is coming up right around the corner and that means that Brotherhood Ceremonies will be conducted on Friday evenings of each regular week of camp.

If you have been an Ordeal member for at least 10 months and are a registered member of the BSA then you are eligible to work on your Brotherhood OA membership. You will be receiving a letter listing the individual requirements soon, if you do not and are not eligible contact Denny Bubrig.

The Brotherhood is strictly a personal decision. It is however, a sign of distinction and a mark of dedication. Upon completion of the ceremony it brings new meaning and emphasis to the Ordeal. Lodge Chief Joel Linn will be serving as Indian Man this year at camp, to counsel those wishing to earn their Brotherhood. The cost this year is \$10.50 to cover the cost of your sash and dues for the following year.

SUMMER CAMP BREEZES IN!

The Summer Camp season is almost upon us and that means a new year at CCV! J.E. Monk will be returning as Camp Director and Greg "T.O." Spence will be returning as Program Director. Several new things will be happening at CV this year, with new scouting requirements, the Eagle Trail program will see the biggest changes. Also happening, is an effort to expand the current Shooting Sports Program so that new areas may be added there. The always changing Trading Post will be adding new items to their stock this year, ranging from a new line of Hat Pins to Belt Buckles! The C.V. Rangers Area will be experiencing some new ideas and so will the Health Lodge, in that there will be a special instructor for First Aid skills.

Encourage Everyone to attend Summer Camp this year, because with the staff that has been selected and the new changes will make this one of CCV's best years ever!

CHIEFLY SPEAKING

I am honored to open my first column as chief of HI' LO HA CHY' A-LA. I am carrying on a tradition of many great young men, who have held this position, and for this I am truly thankful. I would again like to thank you for electing myself and my officers. I know that we will work to make this the best year the Lodge 413 has ever seen.

The key to success this year lies in your hands. Every member of our lodge, both youth and adult, are important and vital to our Lodge. The only way this year will work is if everyone becomes active and gives 100% to their chapter. The chapters have elected very good officers and I have full confidence in each one of them that they will do the best job possible. Great chapters make a great lodge.

The thing I want to stress this year is participation. People say that the OA is not any fun - it won't be if you don't get involved. Go to meetings. Go to events. Get involved! You will be surprised just how fun and interesting this organization can be.

Yours in Witaheui
Joel
