MARCH 1993

1993 UNBELIEVEABLE BANQUET

On January 30, 1993, the Arrowmen of Hi' Lo Ha Chy' A-La Lodge #413 gathered at the Carl R. Reng center to celebrate the fifth annual Lodge Banquet. The smiles afterwards on everyone's faces was the true sign of the wonderful times by all who attended.

After the dinner meal, the Banquet began with the invocation given by Price Marshall, none other than a past Chief of Lodge 413. The banquet was then officially opened by the 1992 Chief Daniel Kueter with the Obligation followed by the welcoming address. Next, the banquet was turned over to the hands of the Lodge Secretary Steve Perry who displayed official design of the new Lodge T-shirt and presented the designer, Ray Calaway, with a special shirt of his own for his work in drawing up the design.

David Morris, the 1992 Staff Advisor, then explained the ever-so-important role of the adults in the O.A., which was followed by Scott Perry with the recognition of the new Ordeal members—the future lifeblood of our Order—who were inducted into our Lodge this Spring. After their recognition, Steve Perry recognized the new Brotherhood members, who through hard work and dedication received their second level of membership in our Order at Summer Camp this year. The newest Vigil Honor members of our Lodge, who were inducted this September, were then presented with their Vigil certificate from Wally Jackson.

Sam Danehower and Scott Perry then showed their appreciation to this year's Ordeal's Elangomats, Platoon Leaders, and Principles with a certificate and a limited edition 40th Lodge Flap. Finally, the outgoing 1992 Chapter Officers were thanked for their unyielding work by Daniel Kueter. Scout Executive Thomas Kerschner then received a \$500 donation from the Lodge to be given to the camping committee to be spent towards the betterment of Camp Cedar Valley.

As the banquet progressed, the much awaited awards ceremony took place. Lodge Advisor Donald Belk presented the Camp Ranger's Arrowmen Award on behalf of Joe Smith who could not be present. T.L. Davis was the proud recipient of this award. Steve Perry then had the honor to present Dennis L. Calaway the Silver Arrow Award, which is designed to thank outstanding Non-OA members for their help to scouting and the OA program. Then the 1992 Arrowmen of the Year were recognized. The youth Arrowmen of the Year was awarded to Phillip O'Tinger of Mississippi Chapter and the adult Arrowmen of the Year was awarded to Ray Williams, also of Mississippi Chapter. Following their recognition,

5th Annual Lodge Banquet

Daniel Kueter had the privilege to reveal Shawnee Chapter as the 1992 Chapter of the Year. The final induction award of the night was then presented by Donald Belk. The Hall of Fame award, the highest honor that can be bestowed onto any individual in our Lodge was given to Ray Calaway and David Morris. It is evident to see that these Arrowmen were well deserving of this award for their unrelenting service to our Lodge.

After the awards, the much awaited Slide Show presentation "Simply Unbelievable", produced and directed by Sam Danehower, once again proved to be the main event of the night. Very special thanks go out to Wayne Grommett for his engineering of the slides over the entire year. Daniel Kueter and Donald Belk then delivered their final remarks about the past year. The last and most important event of the banquet was the installation of the 1993 Lodge and Chapter Officers. The banquet was then traditionally closed with the singing of the Lodge song and the extinguishing of the Lodge Spirit candle.

Thanks go out to everyone who helped and participated in the Lodge this year. It was you who helped this year be what it was. If you didn't get to attend the Banquet this year—you will surely get another chance to help make history next year. Hope to see you there!!

NEW REGION CONCLAVE

Arrowman, one of the most enriching and important opportunities you could embark upon in your scouting involving OA is just around the corner. The event is the annually S-9 Conclave, to be held at Camp Mack Morris in Jackson, Tennessee on April 16-18. However, this year's Conclave will be held in a totally different vicinity. Our Section has moved to the Southern region which will be a positive change. I promise you, this Conclave program will blow away any other one you have attended. Now you may just be wondering to yourself, how do I reserve me a spot for this awesome trip? Enclosed in this edition of the Legend is a medical and registration form. You will need to fill out these forms and make doubly certain that you have them arrive to the Council Office by **March 10, 1993**. If you don't meet this deadline, an extra late fee of \$5 will be added to your delegate fee. The address of the Council Office is:

EAAC-BSA
 OA Conclave Fee
 P.O. Box 146
 Jonesboro, AR 72401

Some of the highlights of this outstanding week-end will include inter-mural Lodge athletic competition, informative sessions on OA topics, and many awards for all types of dancing. Saturday afternoons main event will be the Pow-Wow, Dance competition, the outfit judging, with the Business Meeting to follow. Then, on Sunday afternoon, we will head for home with our record contingent and the Best All Around Lodge Award. A contingent for Lodge 413 will be heading to Conclave with Transportation Chairman Wayne Grommett in charge. To reserve a ride or get information about the trip, contact your Chapter Advisor or Wayne at 935-4600.

When preparing for the week-end, Arrowmen should remember to bring these important items. First, full uniforming with sash which is to be worn at all times. Arrowmen should also remember to bring them a tent to sleep in and spending money for the trading post.

With this being our first even in the new Section, we need to take a record number of people to Conclave to show them that we indeed are a strong Lodge. Hope to see you at our First new Section Conclave.

ATTENTION FRIENDS

Elangomat Training this year will be held at The First Presbyterian Church on Southwest Drive in Jonesboro on March 6 from 10:00 a.m. to 12:00 p.m. In order to provide an ideal setting for all Ordeal Candidates and ensure that they have a high quality Ordeal experience, we need all the people trained as elangomats to serve the position this year at Ordeal. Let us remember that besides this being a very unselfish act of service to our Lodge, that it also may be substituted for an Indian Article donation for Brotherhood Membership. Because of the new Chapter changes, this training will not include Principle Try-outs. This responsibility will be that of the Chapter. However, Steve Perry, the Lodge 1st Vice, will be visiting Principle practices to offer support and advice.

BROTHERHOOD MEMBERSHIP

ATTENTION...Paging all Ordeal Arrowmen, boy have we got an opportunity for you!! If you are an Ordeal member of at least 10 months, have attended at least 3 Lodge or Chapter functions, and are interested in sealing your membership and learning more about the true meaning of the Order, then we encourage you to begin working on your Brotherhood! It doesn't matter how long ago you got your Ordeal -- your opportunity is rapidly approaching.

Brotherhood membership is sought by many Arrowmen to reaffirm their belief in the high purposes of the Order. It is your own personal decision. It is entirely up to you whether you seek to obtain your next level of membership. However, never have I met or talked with anyone who has regretted their decision in which to seal their membership.

Many questions pertaining to Brotherhood membership can be found in your OA handbook. However, be watching your mailbox for a very informative letter from the Lodge Chief and Secretary explaining other requirements of Brotherhood membership.

Believe us, just a small amount of work now will help you out tremendously down the road when it comes time for Summer Camp. We urge you, strive to obtain your Brotherhood membership. It will bring new meaning and emphasis to your important OA membership. Help us break the Brotherhood conversion record. Besides, what better way to add some class to your sash?

CREDITS

This edition of The Legend was compiled and edited by Will Kueter. Thanks to Wayne Grommett and Donald Belk for the pictures. This edition of The Legend was addressed by Steve Perry, Michael Davis, Zach Taylor, and Phillip O'Tinger.

Well, this is my first Chiefly Speaking article, and I would like to start off by thanking each and everyone of you for your high devotion to the ideals of scouting that was expressed last year. I would also like to thank you for having me as your Lodge Chief. I know that this is a high honor and I hope I live up to your expectations

Last year we had many record events, Conclave, Ordeal, and Brotherhood conversion was the highest ever recorded. I am proud of what our Lodge accomplished last year, and I think that it is important to remember and learn from the past, but it is time to move on to bigger, better and greater things.

It is time for the arrowmen of our lodge to once again seek the vision on which our Order was founded. Our Order was founded to recognize those who best exemplify the Scout Oath and Law in their everyday lives. Your first duty was to your unit, I challenge all of you to be servants to your units and community. Be at all your troop meetings and get-togethers, help where you are needed, help the new guy in the troop, teach the merit badge session that no one else wants to teach. The unit is how you got in the Order so be the example you should be.

There are several goals that our Lodge should have for this year. **Goal #1:** To have high attendance at all Lodge and council events. Last year we had a slight drop in attendance at some of our events. If we want our lodge to grow and prosper we must have excellent attendance at ALL events. **Goal #2:** To take at least 75% of your troop with you to summer camp. This is a goal we had last year and it is a goal we need to keep. Summer camp is the single most important event to our council as a whole. It is the place where most young scouts advance, meet new friends, and develop memories that will last them a lifetime. **Goal #3:** To take at least 65 Arrowmen to Conclave. This year we are in a new section, and it is important to show them that we are a very strong Lodge. The program will be much better than the old Conclave programs, I promise you, so go to Conclave. **Goal #4:** To improve the quality and participation of the chapters. With the new chapters, it is vital that we get started on the right foot. Try new events and ideas. That is the only way we will learn what will and will not work. **Goal #5:** To break the brotherhood conversion record. This was a hard one to accomplish last year, but I have faith that with a little hard work and dedication I know that we can do it once again. Brotherhood is a very self-rewarding thing. I think that it is something that everybody should strive for.

These are five goals that the Lodge officers have come up with for this year. If we all work hard and put in a little time and dedication we will reach these goals with ease. Once again I would like to remind you to "Seek the Vision". Thank you for electing me as Lodge Chief, and I will see you at the next Lodge or council event.

Striving to Thrive in Brotherhood and Cheerful Service,
Sam Danehower
