## FABULOUS 28th FALL FELLOWSHIP

Oh my goodness, Oh my goodness, it's coming!!! Faster than a speeding bullet, more powerful than a locomotive, able to leap tall buildings in a single bound, look, up in the sky; it's a bird, it's a plane...naw wait, it's Fall Fellowship! That's right folks, one of the most fun-filled, action packed, non-stop weekend you will ever experience in the OA is quickly approaching. This year, Lodge 413's 28th annual Fall Fellowship, with the theme "A Life of Cheerful Service," will be November 5th, 6th, and 7th once again to be held at the Wynne Tri-County Baptist Youth Camp. Lodge Chief Sam Danehower says "There will never be another Fall Fellowship mo betta than this one; ever."

Registration for this groovin' weekend will begin at 5 p.m. Friday evening. That night, besides the fellowship, games, movies, and cracker barrel, back by popular demand will be the ever famous GRAB BAGS!!! That's right, for just a dollar you can test your luck on the contents of these, and who knows what you might end up with. The cost for the weekend is \$17, which includes a fellowship patch, an event packet, camp rental, insurance, entertainment, and the finest gourmet food available to arrowmen anywhere.

The official dress for the weekend will be scout uniform accompanied with sash. Let's look sharp and be proud of our uniforms. We will again this year be sleeping in heated bunks with beds, mattresses, and showers, so all you will need is your sleeping gear and toiletries. You should also remember to bring important items such as your OA handbook, trading post money, and pen & paper.

After Saturday morning's breakfast, what better way to get the adrenalin pumping for the morning sessions than a 5-k run around the camp? After the run, arrowmen can partake of some important and helpful morning sessions pertaining to the OA. Some more of the events Saturday will include patch trading, OA Jeopardy preliminaries, Chapter Sport Competitions, lip sync competition, and a VIA luncheon for all new Ordeal members. Throughout the day Saturday, the OA trading post will be opened under the supervision of Will Kueter, and will be sporting the Lodge's newest fall and winter apparel along with new flaps, bolos, a plethora of refreshments, and the list goes on and on and on.

*People are already lining up for this Fall Fellowship*

After lunch, the traditional POW-WOW will commence under the direction of Steve Perry, the lodge 1st Vice. This is the opportunity for the dancers to compete against one another for awards and general fun. It also is a great time for new members interested in dancing to watch first hand and get the chance to learn from some of the more experienced dancers of the lodge.

That night, after the enormous supper and the finals of OA Jeopardy, every arrowman will witness the super duper extraordinary BIG SHOW, under the direction of the Lodge 2nd Vice John Travis. At this time, the winner of the attendance contest will be announced and escorted to the VIP Section of the theatre. Following the show will be a cracker barrel for any stomach room left over after the supper feast.

Sunday morning is the most important and main reason for the fellowship weekend. This is the ever-so-important time in which the Chapter and Lodge Officers are elected for the next fraternal year. If you are considering being an officer next year, it is required that you attend the fellowship. After the elections, the awards ceremony will take place followed by the traditional closing.

Guys, if you're still not convinced about coming to fellowship, let me tell you just one thing. This is a FUN weekend with serious times; not a serious weekend with fun times. Get the picture?? Don't be left out in the rain on the opportunity of a lifetime. In case you haven't already, mark this event on your calendar today and plan to attend this grand event. You won't want to miss it.

# SENSATIONAL SUMMER CAMP '93

Sensational. If there was only one word to describe summer camp this year this would definately be it. This year's summer camp was truly awesome. Whether it be the enthusiasm, entertainment, campfires, or merit badge sessions, they were all fabulous thanks to Jerry Sallee and Brad Barnett accompanied by the '93 staff.

This was the second summer Cedar Valley used the National program for teaching and instructing merit badges. And after a few adjustments and changes, we can truly say that this year the program was totally successful and lived up to its full potential in instructing campers.

Many fond memories were experienced by all who attended camp this summer with hopes from all to come back next year and enjoy camp again. These quotes were overheard. Will says that Phillip O'Tinger says that Ranger Joe Smith has this to say about camp. "I've seen alot of good summers, but I give this year's summer camp season two thumbs up!!" Paul Gomer had this to say; "Camp was real."

As far as the OA being involved this year at camp, was it? As an arrowman, did you do YOUR part in promoting and encouraging summer camp attendance? And most importantly, did you actually SET THE EXAMPLE by you YOURSELF going to camp this year?? And to turn our thoughts towards next year. It's never too early to start talking to and getting your fellow troop members excited about the coming camp. CCV is the heart and soul of this great council and needs to be remembered. So, don't forget it is never too early to start promoting camp. So, start today.

## NEWEST MEMBERS

During the first week of summer camp, Lodge #413 inducted our 6 newest members into our Lodge. Due to prior commitments, these people weren't able to attend the Ordeal weekend. After a voting session by certain key members, it was decided to give them an Ordeal. The six spent Wednesday working and laboring in the camp's compound. And then were given a special ceremony later that night. Special thanks go out to the Staff Members who volunteered their services as principles for these candidates. Hi' Lo Ha Chy' A-La's newest members are:

- |               |                 |
|---------------|-----------------|
| Baxter Horton | Ramsey Bergeron |
| Chad Wilcox   | Mitch O'Banion  |
| Adam Baker    | Russ O'Banion   |

A special congratulations is in store for these folks when you see them at Fall Fellowship. Let's make them welcome!!

1993 Brotherhood Principles

## 43 BOUND IN BROTHERHOOD

This summer, on three very select Friday nights, 43 Arrowmen marked the completion of their induction into the Order of the Arrow by sealing their Brotherhood Membership and reaffirmed their belief in the higher purposes of the Order. O.K. Now, let's have that in English. This summer through hard-work and dedication, 43 Arrowmen of the Lodge sealed their membership in the Ordeal of the Arrow by obtaining their Brotherhood.

The first and second weeks saw 7 and 25 respectively, while the 3rd inducted 11. However, on a lower note, the fourth week converted none. But, nevertheless, Lodge #413 is very proud of our newest members now truly Bound in the Brotherhood. Of the three outstanding ceremonies performed, all were held in the circle and proved to be memorable for all newly inducted.

When you spot one of these arrowmen at a future event, Congratulate and give them a hearty pat on the back. Taking the initiative, dedication, and hard work to reach this level deserves a Congrats and recognition from every arrowmen. At time when it would have been easier to take a nap or go to a free swim, these people were busily studying and memorizing questionnaires or making useful lodge donations.

If you will be eligible for Brotherhood in 1994 and still aren't convinced, talk to one of these guys and see how happy and proud they are that they took the step to obtain their Brotherhood. You will hear nothing but positive remarks.

And now, for all of you Ordeal members reading. The Lodge Officers next year want YOU to be one of the people this article is talking about. Hope to see you for Brotherhood '94.

## FIVE CANDIDATES REVEALED

At our fourteenth annual Lodge wide Ordeal this past June, 5 arrowmen of our lodge were recognized for their undying and unyielding service to the lodge and scouting program over the past years. The following were tapped out as Vigil Honor Candidates on June 6, 1993.

- Brian Alexander.....Highlander Chapter
- Mike Garner.....Arrowhead Chapter
- Nathan Reyna.....Delta Chapter
- Bill Rice.....Delta Chapter
- John Travis.....Arrowhead Chapter

Before they are able to be true Vigil Honor Members, these 5 must complete the Vigil Week-end which is held in September. We wish these candidates well and hope their weekend is memorable, true, and hopefully very rewarding for their hard work. ALL Vigil Members are encouraged to attend this weekend and should contact Vigil Chairman Danny Joe McHaffey concerning any questions.

## 69 INDUCTED AT ORDEAL

The fourteenth annual Lodge-wide Ordeal, held this past June, was a smashing success, which resulted in the induction of 69 new Ordeal members. The newest members and now the future lifeblood of our order. The weekend went off without a hitch thanks to the Key 3, Lodge Officers, and other helping hands.

The weekend began with registration by Dave Tesmer, Brad Doty, John Travis, and Will Kueter. 94 Arrowmen arrived along with 69 candidates, which brought the total attendance to 163 people. The year registration was moved to the front gate of camp to catch people as soon as they came in. This proved to be very helpful. Special thanks go out to Mike Garner for taking the demanding job of Food Chairman and all the fellow cooks, who did a fabulous work of art with the meals.

Saturday's work was overseen by Ordeal Master John Travis with the help of Joe Smith, who together planned up the work to be done for the weekend. Due to the preparation by Steve Perry and others, the ceremonies were performed excellently both Friday and Saturday night. As a result of the new Chapter pairings, 4 instead of the regular 3 ceremonies were conducted. Because of the lack of circles, Highlander Chapter held their Ordeal Ceremony in the Camp's campfire circle. However, Highlander Chapter does have a spot for a circle picked out and plans are underway for the development.

After a hearty breakfast, Sunday morning began with the Vigil Tap-Out. Following the Chapter Meetings, the weekend ended after the Lodge Meeting and singing of the OA Song.

Many grateful thanks go out to **ALL** arrowmen who volunteered Cheerful for the betterment of camp. Also, thanks to the Elangomats for their unselfish service to the candidates and members. Without the help of every arrowman who attended, Ordeal wouldn't have been the smashing success it was!!

## DIFFERENT FLAPS ORDERED

Yes, the rumors are true. Since we have sold out of the silver lettered lodge flaps, we have re-ordered another type of flap. The design is the same, but will have different colored letters. These flaps will be at Fall Fellowship just waiting to be bought. So make sure you are there to get the first dibs on these new flaps. Just one example, one of the many reasons to attend fellowship this year.

## 1994 6th ANNUAL LODGE BANQUET

Coming this January, the lodge will once again gather for the 6th annual Lodge Banquet. It will be held at ASU at the Carl R. Reng Center. The banquet was designed to give non OA members a chance to see what the OA is all about, and has surely lived up to its purpose over the past years. Besides of the importance of the banquet, it also offers a time for fun and fellowship which is experienced by all who attend. Tickets will soon be available for purchase at the council office or from Lodge Officers. Be watching the next edition of The Legend for the rest of the details. See you at the banquet.

## CORRECTIONS AND DUES

Just a reminder for everyone to check their membership cards to make sure their dues are paid. We are in the process of trying to update our records and those members whose dues are not paid cannot be included on the Lodge mailing list. Fall Fellowship is an excellent time to pay them.

Also, if you know of someone whos dues are paid and they are not receiving The Legend, we need to know it. In some of our records the addresses are incorrect and this may be the reason they are not receiving Lodge publications. If you wish to pay your dues or have a correction for our records, please send the information to:

## KLONDIKE WINTER CAMP

The 18th annual Klondike Winter Camp is approaching just as quickly as the cold weather. Besides being the most attended event of the council, this is also the funnest. Where else could you pull a sled around hunting for gold nuggets and quite possibly have the chance to run into Kodiak Karl? The answer; simply no other place than our very own Klondike!! The dates for this gold hunting exhibition are December 17th, 18th, and 19th at Camp Cedar Valley.

This winter the Camp Director will be Donald Belk and the Program Director for the weekend will be none other than Daniel "Dan the Man" Kueter. There should be no doubt that the staff these two assemble will be the most rip roarin' and enthusiastic in years.

The theme again this year will be the goldrush days of North Alaska, in which patrols pull sleds around to "cities." At these cities, each patrol has the chance to earn up to five gold nuggets to use for Sunday's auction to buy useful camping supplies. These cities offer both fun and informative activities for all troops within the council. Who knows what this year's cities will bring? But I'm sure every single one will be loads of fun.

As Order of the Arrow members and honor campers, it is now time to do our part to promote Winter Camp. Encourage yours and other troops in your area to attend this chilling event. So start working on repairing those sleds today so your troop doesn't miss out on the fun of Klondike!

All Aboard; Next stop, Klondike '93

This edition of The Legend wouldn't have been made possible without the dedicated help of fine arrowment. They are Robert Cadenbach of Viola, Michael Davis, James Hendrix, and Andy Martinsen. That's all folks.

### CHIEFLY SPEAKING

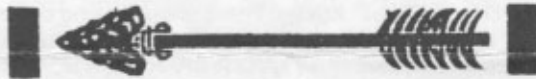

I hope that this letter finds you in good health and full of Cheerful service. Although the summer has slipped from our fingers, there is still plenty of time for your chapter to get more involved in the lodge before the end of the year.

I would like all of you to be more active and to help the new members to be full of the spirit of Brotherhood and Cheerfulness in Service. Congrats to all that have become new Ordeal members; also congratulations is in order to all of you that have earned your Brotherhood this summer. Brotherhood is something that is self rewarding and you will always hold it close to your heart.

We had a tremendous year at summer camp and it could not have been accomplished without all of you. You, the members, are the heart and soul of your local unit and that means you are the spark that starts the fire in the young scouts heart, you are the one that makes the young scouts want to become better scouts. They see the spirit of Brotherhood and Cheerfulness in Service within you and that makes them want to be like you. So let's act like the honor scouts we are supposed to be. Help the scout that needs help and urge him to go through the trials and tribulations that they may go through on their journey through scouting.

It is your duty to give back to scouting what scouting has given to you. And what better way than to plant the seed of Brotherhood and Cheerfulness in a younger scout. Strive to serve cheerfully in your chapter and also in your unit, and I hope to see all of you at Fall Fellowship.

Striving to Thrive in Brotherhood and Cheerful Service,  
Sam Danehower, Lodge Chief 1993
