LODGE BANQUET 1999 - ONE PHAT NIGHT

Hi' Lo Ha Chy' A-La rang in the New Year with a gargantuan bang with one of the best banquets in our history. The only thing that could have been better would be an All-You-Can-Eat Deep-Fried Chitlin' Buffet. But we all survived with succulent roast beef, fresh garden vegetables and a dessert menu to die for.

The night began with nearly every Arrowman drooling over Don's hot date. The program began with an invocation by George Haag and an Opening by J. Patrick Dailey. Mike Garner then spoke briefly on how adult arrowmen should know their role. Then the glorious recognition of the accomplishments of the past year began. The 1998 Lodge Officers took turns recognizing Arrowmen who accomplished such feats of service as Food Chairmen, Chapter Office or Principal, Elangomat, Platoon Leader, or advancement of a level of membership.

Then when nearly everyone had their 15 seconds of fame, Dean Massey took the pulpit and showed everyone what was up. Dean Massey was Lodge Chief in 1973, our 25th anniversary. Mr. Massey spoke marvelously about his career in Scouting, what it meant to himself and other Arrowmen, and what the future might hold for our noble Lodge.

Then came all of the awards for which we were falling from our seats in anticipation. The Youth Arrowman of the Year award went to Raymond L. Whiteside, the current Delta 1st Vice Chief. Raymond has also served as Delta Treasurer. He earned his Brotherhood this summer, attended NOAC, and has shown great promise as an Indian Dancer. The very deserving Adult Arrowman of the Year is Steve Lynn. He has served the Lodge well over the past years and that night he was representin'!

*The 1999 People's Lodge Officers have 2 words for you...
Cheerful Service!*

Two Arrowmen were inducted into the Hall of Fame, David Hoepfer and Thelma Kelly. Finally, drumroll please, Chapter of the Year went to Delta Chapter, because Delta is just that good. Also, two chapters were recognized for earning the brand spankin' new Quality Chapter award. Those Chapters were Arrowhead and Delta.

Then came the astounding Audio/Visual Presentation, followed by the installation of the People's Officers. Then, the night was closed with the OA song and the 1998 Lodge Candle was extinguished for the last time by 1999 Lodge Secretary Don Porter, officially ending one era and beginning another.

Our hope for the future?

CHIEFLY SPEAKING

Brothers:

It is with great pride and joy that I come to you in our first Legend. I would like to start off by saying Thank You for electing me your 1999 Lodge Chief. I will strive to do my best to fulfill the duties and obligations that this high honor has bestowed upon me.

During the past year, the 50th anniversary of our Lodge, we accomplished more than ever imagined. I would like to thank Patrick for all his hard work and dedication that helped to make the 50th year of our Lodge one of the best ever.

This is not going to be an easy year for our Lodge. The Lodge officers have set some pretty tough goals. Our main goal is to update the records. This means going through and removing all delinquent members from the directory. If you know of an Arrowman who has not paid his dues, please ask him to do so. Not only will this make our job easier, but it will be helping to increase the Lodge membership. Some of our other goals include: Holding a Lodge Leadership

Seminar, and publishing an updated version of the "Where to go Camping" booklet.

We have a very dedicated group of Lodge and Chapter officers this year. I feel that if every Arrowman can help support these officers as well as the Lodge by simply attending events, we will surely have a great year.

Feel free to call or e-mail me, and I will try my best to answer any question, attend to any suggestion, or just to help in any way possible. Let's all do what we can to make 1999 a great year for everybody.

Your Brother in Cheerful Service,

Jason Nichols
