ORDEAL

What is that smell? Oh, yeah, it is the 55-gallon drum of mustard on its way up to camp. You know as well as I do that it can only mean one thing: Ordeal!

This year, Ordeal will be held June 2-4 at Camp Cedar Valley. Registration begins at 5 pm on Friday and closes at 8:00. The weekend will conclude around 10:30 Sunday. The big goals this year are to give the campsites a good cleaning out, continue to replace tent platforms, and spruce up staff area. If anyone can bring a rake or a weed-eater to use, it would be greatly appreciated. Also, any adults that can bring and operate a chainsaw and/or a truck and trailer will be in high demand. So if you can help bring tools up, please do! We have nearly 60 candidates called out this year. With the help of a good turnout of members, we can have a very successful Ordeal. If you have any extra room in your vehicle, please call your chapter chief and see if anyone needs a ride up.

In addition to all of the service, there will be plenty of good food and fellowship. All of this can be yours for only \$15 for members, plus the completed, enclosed health form, and \$30 for candidates (since they get a bunch of merchandise). That bargain price will still leave plenty of cash for all of the neat stuff that will be at the trading post this year. In addition to the new lodge flaps, there are still lodge hats and T-shirts, as well as a new T-shirt exclusively for dancers and drummers. Also,

if you haven't paid your dues up, bring an extra \$8, so you can continue to receive this literary classic on a regular basis.

Let us not forget a few other highlights of the weekend. First off, there will be the Vigil Call-Out on Sunday morning after chapel. There we will find out which of our many dedicated lodge members will be recognized for their service to the lodge. Speaking of service, there will also be a hefty dose of the new, black service flaps handed out at Ordeal. If you want to be one of the one hundred to get one, you best be representing at Ordeal!

Ordeal already!!**

CONCLAVE

If you weren't in Mena, Arkansas for Prom you should have been there for the best Conclave I've ever been to (except for when hosted it!!!). Not only was 413 the biggest representing lodge, we were also the most spirited, GO FIGURE! We also DOMINATED the Dance Competitions, Sport Competitions, Ceremonies Competitions, and the *Big Show*.

Many of our Arrowmen need to be recognized for their participation in ensuring the Conclave went as well as it did; Jason Nichols, Jr. Baldwin, David Douglas, Drew Crawford, Don Porter, Kyle Nichols, Steve Lynn, Nonnie Carrol, Jim Dailey, and to many more to list. In Dance Competition, Traditional: Matthew Hodge 1st place outfitting and 2nd place dance, Raymond Whiteside 1st place dance and 3rd place outfitting; Grass: David Routon (tie) 1st place outfitting and 2nd place dance, Drew Crawford 1st place outfitting and 1st place dance; Old Style: Brad Hodges 1st place dance and 3rd place outfitting, Ira Roundtree 2nd place dance and 2nd place outfitting, Grayden Ricker 3rd place dance and 1st place outfitting. T. J. Drake

ran away in the Straight dance winning 1st place in both dance and outfitting. These arrowmen need our congratulations for a job well done. In Ceremonies, the judges were blown away with the ability of all of our teams. Our Pre-Ordeal team of Raymond Loyd Whiteside, David Loyd Routon, Ira Loyd Roundtree, and Robert Loyd Arnold received the Award of Merit. Our Brotherhood team of Don Porter, Drew Crawford, Klye Nichols, and JR Doyle received the Award of Merit.

Lodge Pow-Wow

Lodge Pow wow this year will be sponsored by Neaypi and is tentatively scheduled to be held at the Blytheville Armory Sept.15-17. The program will run from around 9 Saturday morning to 4 or 5 that afternoon. There will be lodging available for a small fee if you wish to stay Friday or Saturday night. There is no charge for Pow Wow itself and is open to the public. There will be a concession stand offering lunch for a small donation. More information on this, One Day Project, and LLS will be given in the next issue of the Legend, set to come out in August.

ARROWHEAD

Call-out was held on April 8. There were 32 candidates called out with over 200 people present. We are currently preparing for Ordeal and in the process of designing chapter t-shirts! If you would like to help with Ordeal or with the t-shirts please contact David Butler or any of the other officers.

ONE DAY

It is time to begin preparations for the 2000 One Day Service Project. One Day is a program that was started in 1996 by the Southern Region in an attempt to have Arrowmen across the Region serving each of their communities at the same time. We hope that this will be a National OA project soon.

This year 413 wants to have better participation than ever before. We are currently accepting ideas for service projects. They MUST be done before October 21. A definite decision will be made by the LEC the Sunday of Ordeal Weekend. Please give any suggestions to the Lodge One Day Coordinator Adam Long, before then.

Work Weekend

This adult work weekend saw much accomplished. Mainly, several campsites had the old tent platforms replaced with nice new ones. Also, the pool was de-mucked and pressure washed from top to bottom. Several arrowmen showed up, and thank you for giving to camp in cheerful service. For those of you who didn't: it is a FREE weekend at camp, with plenty of time for fellowship and loafing around reminiscing about summer camp and Ordeal. Also, it is a good way to uphold your obligation and support OUR camp. I challenge the lodge to double attendance next year, because 413 is just that good!

Brothers,

Having just returned from Conclave and Work Weekend, I am more excited about Ordeal and summer camp than ever. If you haven't heard, our lodge took home first place in skits, first places in each of the dance competitions, and placed second in each of the ceremony competitions. We probably had the largest attendance there, yet the furthest distance to drive. Most importantly, our lodge's spirit was at an all time high. Every time I attend a Conclave or a NOAC, I always return home proud to be in lodge 413.

Secondly, I would like to thank all of the dedicated Arrowmen who turned out for work weekend. A lot of important work was done on camp that would have been difficult to do at Ordeal or later. I would strongly encourage you to support camp next year by coming to work weekend.

Most importantly, Ordeal and summer camp are coming up. Your lodge officers are hard at work finalizing plans for Ordeal. What we need more than anything is for everyone to turn out for Ordeal ready for some cheerful service and fellowship. Similarly, Mr. Dailey, Mr. Bush, and Patrick Dailey are wrapping up plans for one of the best years of summer camp ever. The rappelling tower that our lodge donated to camp will finally be opened! If you have not yet made plans to be at camp this summer, whether on staff or as a camper, please do so! It is imperative that we support OUR camp!

This is only the beginning of what I hope will be a wonderful year for our lodge.

Centered on the Noble Goal,

DON
